PROFESSIONAL SUMMARY

Program Coordinator with 3 years of adjacent experience. Brings some transferable skills, but still needs deeper exposure to core general management ownership, metrics, and independent delivery.

CORE SKILLS

meeting cadence, process design, resource allocation, decision making, people management, cross-functional coordination

EXPERIENCE

- Program Coordinator | Northstar Services | 2023 - Present
- Owned vendor, customer, or internal team communication for routine operational issues.
 - Coordinated small dashboards and spreadsheets for local visibility, with limited ownership of final outcomes.
 - Managed support documentation and internal follow-ups under manager supervision.
- Program Coordinator | SummitBuild | 2021 - 2024
- Delivered data collection and first-level checks, escalating complex decisions to senior team members.
- Executive Assistant | PeopleNest | 2022 - 2024
- Improved data collection and first-level checks, escalating complex decisions to senior team members.
 - Improved vendor, customer, or internal team communication for routine operational issues.

SELECTED PROJECTS

- Support Tracker for General Management: Assisted with data collection, follow-ups, and status reporting using meeting cadence; scope was limited and supervised.

EDUCATION AND CREDENTIALS

BBA | Graduated 2014
Certification: Excel Advanced
