PROFESSIONAL SUMMARY

Program Coordinator with 5 years of adjacent experience. Brings some transferable skills, but still needs deeper exposure to core general management ownership, metrics, and independent delivery.

CORE SKILLS

decision making, resource allocation, budget management, people management, workshop facilitation, business case development, financial modeling, client management, cost optimization, Web, Designer

EXPERIENCE

Program Coordinator | Rivanta Health | 2023 - Present

- Improved vendor, customer, or internal team communication for routine operational issues.
- Led small dashboards and spreadsheets for local visibility, with limited ownership of final outcomes.
- Improved support documentation and internal follow-ups under manager supervision.

Executive Assistant | Orion Facilities | 2022 - 2025

- Launched data collection and first-level checks, escalating complex decisions to senior team members.

SELECTED PROJECTS

- Support Tracker for General Management: Assisted with data collection, follow-ups, and status reporting using decision making; scope was limited and supervised.
- Basic Reporting Automation: Assisted with data collection, follow-ups, and status reporting using resource allocation; scope was limited and supervised.

EDUCATION AND CREDENTIALS

B.Tech with Management Minor | Graduated 2021
Certification: Leadership Communication Workshop
