PROFESSIONAL SUMMARY

Retail Cashier with 3 years of experience in a largely unrelated field. Strong in service delivery and personal work discipline, but limited evidence of fit for general management responsibilities.

CORE SKILLS

POS billing, customer service, stock counting, cash handling, store display, shift closing, returns handling, coupon reconciliation

EXPERIENCE

- Retail Cashier | ApexEdge Consulting | 2024 - Present
- Improved client satisfaction and quality of service in a different professional setting.
 - Improved day-to-day service tasks focused on POS billing and customer-facing execution.

SELECTED PROJECTS

- Personal Portfolio Project: Built experience around POS billing, but the work does not map closely to the target job responsibilities.
- Local Event/Service Coordination: Built experience around customer service, but the work does not map closely to the target job responsibilities.
